

KÄRCHER BDS 33/180 C Adv

The new generation of Kärcher single-disc machines is perfectly balanced with two control shafts – for convenient and powerful cleaning of hard surfaces and textile coverings.

Handle can be completely folded down

- Machine requires significantly less space for storage and has compact dimensions for transport, e.g. in a car .
- Brush or pad can remain on the machine and does not have to be removed.

High quality

- High-performance motor and metal planetary gear drive.
- Very robust and durable version with high torque for efficient operation.

Wide, ergonomic handle

Two oval robust aluminium shafts for good balance and effortless operation.
Good application of force is possible.

Standard Features / Accessories

Mains operation
Tank, optional, 8 l

Part no. 1.291-220.0
