

## KÄRCHER BDS 43/180 C Adv

The new generation of Kärcher single-disc machines is perfectly balanced with two control shafts – for convenient and powerful cleaning of hard surfaces and textile coverings.

### *Handle can be completely folded down*

- Machine requires significantly less space for storage and has compact dimensions for transport, e.g. in a car.
- Brush or pad can remain on the machine and does not have to be removed.

### *High quality*

- High-performance motor and metal planetary gear drive.
- Very robust and durable version with high torque for efficient operation.

### *Wide, ergonomic handle*

- Two oval robust aluminium shafts for good balance and effortless operation.
- Good application of force is possible.

## Standard Features / Accessories

Mains operation

Tank, optional, 10 l

Part no. 1.291-226.0

## TECHNICAL SPECIFICATIONS
