

KÄRCHER NT 35/1 Ap

The outstanding feature of the one-motor Ap series is its compactness. It is a high-performance, compact vacuum cleaner for professionals. The 35/1 Ap offers a larger container with 35 litres. This model comes standard with flat pleated filter and semi-automatic filter cleaning, which allows longer operation without interruption.

Features:

Mobility and performance

- Professional mobility guaranteed.
- The NT 35/1 combines compact design and performance for professional use.

ApClean (semi-automatic filter cleaning system)

- The semi-automatic filter cleaning system keeps the filter clean for maximum suction power.

Cord storage

- Hooks for safe and secure cord storage.

With its complete accessory kit the NT 35/1 Ap can be used immediately. Even with the compact design the NT 35/1 Ap has cable and hose hooks. On its sturdy wheels the NT 35/1 Ap follows its user almost anywhere.
