

KÄRCHER NT 50/2 Me Classic

Powerful, twin-motor wet/dry vacuum cleaner with a very good price/performance ratio and reliable dust separation for both wet and dry applications, ensuring long turbine lifetime. Quick and cost-efficient turbine removal in less than one minute, due to easy service concept.

Features:

Robust and easy to transport

- Extremely mobile on all surfaces thanks to the robust chassis, large wheels and metal casters.
- The standard push handle ensures convenient transport.

Excellent suction power

- Two powerful turbines ensure outstanding suction power.
- The strong suction power ensures excellent cleaning results and the utmost efficiency.

Vacuum without filter bags

- The twin-motor NT Classic vacuums are fitted with the tried-and-tested Kärcher cartridge filter.
- The cartridge filter enables sustained suction without a filter bag.

Standard Features / Accessories

2.5 m suction hose with bend
Floor tool (360 mm)
Crevice tool
2 x 0.5 m metal suction tubes
Cartridge filter
Stainless steel container

Part no. 1.667-021.0

TECHNICAL SPECIFICATIONS

Motor rating	2300 W
Container capacity	50 l
Frequency	50 Hz
Weight	17 kg
Air flow rate	2 x 53 l/s
Sound pressure level	76 dB (A)
Voltage	220-240 V
Inside dia standard	ID/40 mm
Vacuum	225 mbar/kPa
Container material	Metal
